

COMPOSTABLE PAPER STRAW

GUIDELINES

H.B. Fuller

90% of the paper straw
must compost within
180 days

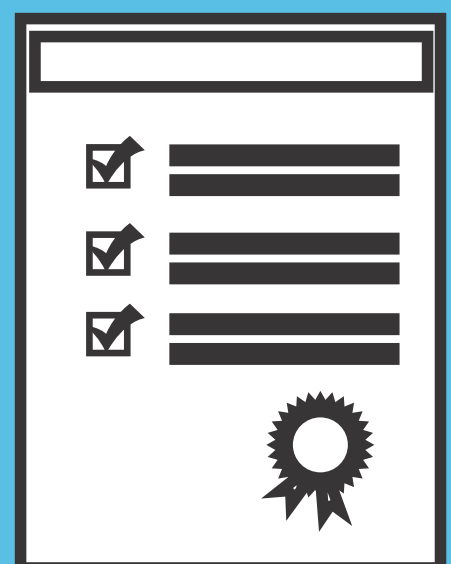

per ASTM D6868-17 (NA) & EN13432 (EU)

A straw can compost
even if the adhesive
does not

5%

Adhesive makes up 5%
or less of the total dried
mass weight of the
average paper straw

Straws must meet
ASTM D6868-17 (NA)
and EN13432 (EU) to
claim the straw is
compostable. Third
parties issue the
certification.
